

I'm so happy 'cause today I found my friends

They're in my head

I'm so ugly, that's okay, 'cause so are you

Broke our mirrors

Sunday morning is everyday, for all I care

And I'm not scared

Light my candle in a daze

'Cause I found God

I'm so lonely, that's okay, I shaved my head

And I'm not sad

And just maybe I'm to blame for all I've heard

And I'm not sure

I'm so excited, I can't wait to meet you there

I don't care

I'm so horny, that's okay

My will is good

I like it

I miss it

I love it

I killed it

I like you I'm not going to crack

I miss you, I'm not going to crack

I love you, I'm not going to crack

I killed you, I'm not going to crack

Mmmmmmm
