

Tournament Information Page

Coach,

As you probably expect, due to the nature of the Corona Virus scare, the Buckeye Prep Invitational will have to be "POSTPONED." Although I was holding out hope that my facilities would honor our dates, due to public safety concerns, the various universities and high schools I intended to use have shut down for several weeks. Despite my disappointment in having to postpone the event, it is my hope that we can hold our tournament later this summer. In fact, I have set a tentative date for June 5th-7th. With that said, this date is tentative until I can confirm with my facilities that those dates are available.

I know that traditionally, most teams are wrapping up their seasons by June, but with the situation with the virus so far, which has resulted in missed tournaments in March and April, I hope you will also adjust your schedules and extend your season in to June in order to salvage at least some of the season for your players and parents. I know that many of you have already made plans, but I hope you will make the adjustment and add this event to your revised schedule. Bottom line, basketball is shut down for the next several weeks, so I have to think there will be a serious pent-up demand to get back in the gym as soon as possible. You should know that I have already talked to several coaches, who plan to attend our event in June!

Finally, rest assured that you can expect a full refund (minus 2.9% + .30 for Pay Pal payments) within the next 2 weeks unless you intend to attend our event in June and you want us to retain your payment to hold your spot. Unless I hear otherwise, I will begin processing refunds by the end of next week. One last request, in response to this email, can you let me know if your team/organization will consider attending our event in June? I would like to restart a "Committed Team" list and resume promotion.

Thank you in advance for your understanding, and we look forward to seeing you in June. Please be safe during these unprecedented times, and God Bless you and your family

Rob Taylor
