The abstract must be on a single A4 page, including all figures (if any) and references. The page must have a margin of 2 cm on the left-hand and right-hand sides, while the top and bottom margins should be 2.5cm. All text, figures, etc. must remain within these margins. The font used should be Times 12-point, except for the abstract title which should be in Times 14-point bold capital lettering. The lines should be single-spaced and justified.

The abstract must begin with the title followed by the authors' names and their institutions' addresses. The title, authors, and addresses should be centered on the page. For example, references in the text must be numbered and enclosed in square brackets [1]. The list of references should be placed at the end of the abstract. There should be no page number.

Abstracts must be submitted [online](#).

If none of the authors is registered for the conference, the abstract will not be included in the book of abstracts.
