Here's what you need:

for a 7 x 11 dish (Serves 4-6)

1 Lb. ground chuck or beef (I use an 85/15 for more flavor)
3 Tbs. yellow onion, minced
6 crescent rolls (I just cooked the last two while the casserole was cooking)
1 cup Colby Jack cheese, divided, pre-shredded is fine
1/4 cup ketchup
2 tsp. mustard
1/2 - 2/3 of a 2 Lb. bag of tater tots, frozen is fine

For a 9 x 13 baking dish

follow the instructions for the 7 x 11 using the amounts for the 9 x 13

2 Lbs. ground chuck or beef (I use an 85/15 for the most flavor)
1/4-1/3 cup yellow onion, minced
1 tube crescent rolls
1-1/2 cup Colby Jack cheese, divided, pre-shredded is fine
1/2 cup ketchup
1 Tbs. mustard
2 Lbs. bag of tater tots, frozen is fine

Preheat oven to 350 degrees. Spray a baking dish with cooking spray and arrange the crescent rolls to completely cover the bottom (sideways for a 7 x 11 and long way for a 9 x 13) pressing the seams to seal.

In a large skillet brown the ground beef with the onions until the meat is no longer pink.

Next add the ketchup, mustard and 3/4 of the cheese (leaving the rest for the topping) and stir to completely combine.

Evenly pour the meat mixture over the crescent rolls and top evenly with the tater tots.

Bake for 30 minutes. Then sprinkle remaining cheese over the top of the tater tots and continue baking for an additional 7 - 10 minutes or until the cheese is melted.

7 x 11 serves 4-6 or more depending on how big you cut the pieces

9 x 13 serves 8-10 or more depending on how big you cut the pieces
