

*For a \$5 weekly fee (\$20 for non-members), participants will enjoy a special theme each week while golfing the course anytime between 2:30pm until sunset. Please sign up in advance for tee times with each golfer's name. Let the clubhouse know if you would like to be added to a golfing group or would like to have golfers join your group (4-6 in a group).

*Each golfer participating in the theme receives a free bottled/canned beverage(or any other \$5 treat value)! Participation can be any creative attempt to be Adorable and/or Zany with your clothing, accessories, golf bag, golf cart, etc.

*Plan to arrive early and/or hang around afterward to mingle and check out each golfer's creativity (and perhaps golfing ability)!

*Golfing Gal Event signs will be out on the course:

--Longest Drive

--Longest Putt

--Closest to the Pin

*The three event winners will receive a small prize (and joyful recognition)! No prizes will be awarded for lowest scores until the end of the season, so Golfing Gals may choose to "compete" individually, or as a 2-5 person scramble team, adding their own degree of a "reward system" within their group. Posting of scores is not mandatory!

"Photos will be taken and posted each Sunday:
"Most Adorable" and "Zaniest". Recognition and a small prize will be awarded on the following Wednesday.

*For all who pay the participant fee, voting via FB (FB Messenger or texting Bon, if you wish to keep your opinion discreet) will be available. Voting will close each Tues. evening so that the winners can be announced as the new theme begins.
