Franco-Ontarian Day - Sep 25

First recognized in 2010, Franco-Ontarian Day represents over 400 years of Francophone history, celebrating the community's social, economic, cultural, and political contributions in our province.

September 25th is officially celebrated as Franco-Ontarian Day. In 1986, the provincial government passed the [French Language Services Act](#) which made French an official language of the province's education system, judiciary, and legislature, and guaranteed an individual's right to receive government services in French.
