

***Dear fellow organizer,** I'm sending this live prep document to the speakers of the #antichemtrails March 15th event to help them prepare for their **10 min talks**. This will be followed by a live panel discussion. You may add your suggestions to this "living" document by posting a comment. Thanks sylvain.henry@gmail.com*

Dear Speaker, In preparation for the "March 15 Around-the-World Around-the-Clock Anti-Geoengineering **Radiothon**" here are some ideas to consider so our effort has greater impact

1. Mention your name at the start, or end, say which city you are located, how you can be reached **[Except pilots!]**
2. At the beginning, state your main message in as few words as possible. (3-12 words, 3 is ideal)
3. Strong, simple and memorable beginning sentence since there will be at least 10 other 10-min speakers
4. Your message should be credible and positive (no violent suggestions)
5. Use or introduce important or new movement keywords and phrases
6. Address your self to an audience of people who are already convinced
7. Mention milestones you (or others) have achieved in the cause
8. Prescription: what do we need to do to stop it, What can be done to help decrease the damage to humans
9. Speakers will be given 10 min videos of other speakers before event to minimize duplication
10. Add "plccancun" and "sylvain.henry (Canada)" to your Skype contacts or call in the radio show via Sylvain

Other Confirmed speakers: Rosalind Peterson, Dane Wigington, Russ Tanner, Terry Lawton, Max Bliss, Harold Saive, Paul Mac, Billy Hayes, Alexandra May Hunter, Martin M Beard, Ingibjörg Gunnlaugsdóttir, Cynthia Brewer, Bazra Parsons, Barbara Craig, Pilot 3,

This 24 hour radiothon will be listened to by at least 1000 anti-geoengineering activists and groups. There will be a live panel discussion of all the speakers but since the show will go on for 24 hours there may be several panel groups and speakers may attend any or all of them. No debating will be tolerated at this live event, harmony and cooperation are necessary in our cause. We'll create a common front and harmonize our energies for 24 hours. If you are against aerial spraying you can speak on our radio show. Send your audio to sylvain.henry@gmail.com

Pilots, Politicians, Police and Professors sympathetic to our cause may call in or submit audio anonymously.

Please RT and Post

Don't miss the #idesofmarch #internetradio 24 hr special where the whole world will be talking about #geoengineering!

Please tune in and call in <http://www.ustream.tv/channel/projectlightsout>

If you want to call in the 24 hr Radiothon against #geoengineering March 15 please befriend plccancun on Skype. He's the radio show host RT

Attend the first around-the-world around-the-clock #antigeoengineering radiothon March 15th
