

tholton High School School Supply List

Grades 9-12

High school teachers will inform students of any necessary supplies at the start of the school year. Supply lists may vary and have unique requirements depending on the class. Below is recommended.

Parents, please help your child by replenishing supplies during the year as needed. Thank you.

Related Art Supplies

Sketchbook (8x10) Art	1
Colored Markers (for Art)	1

Note: The T1-84 Plus Silver Edition or CE (handheld) graphing calculator will be used in the Howard County mathematics courses beginning with Algebra 1 and extending through the end of the mathematics course. Although students will be provided with a graphing calculator for use in school, and having the ability to borrow one for out of the school use, students may opt to have their own personal handheld graphing calculator. Students who go on to take mathematics in college will often be able to use the same calculator for college coursework
