Office of the Physical Plant and Engineering Services

D S.5 Function rooms and lounge are available and accessible.

Holistic and Career-Oriented Academic Programs

Orani Campus offers a broad range of academic programs that are responsive to the evolving needs of students and the community. From agriculture and education to business, technology, and health sciences, each program is designed to foster academic excellence, hands-on experience, and community engagement. The institution emphasizes both intellectual and personal growth to develop well-rounded, industry-ready graduates.

Paragraph 2: Supporting Learning with Functional Spaces

In line with D.S.5, Orani Campus provides accessible function rooms and lounges to support academic and non-academic activities. These spaces serve as venues for seminars, student conferences, faculty meetings, training sessions, and collaborative learning events. The availability of well-equipped function rooms and comfortable lounges enhances the overall educational experience by encouraging interaction, planning, and social development.

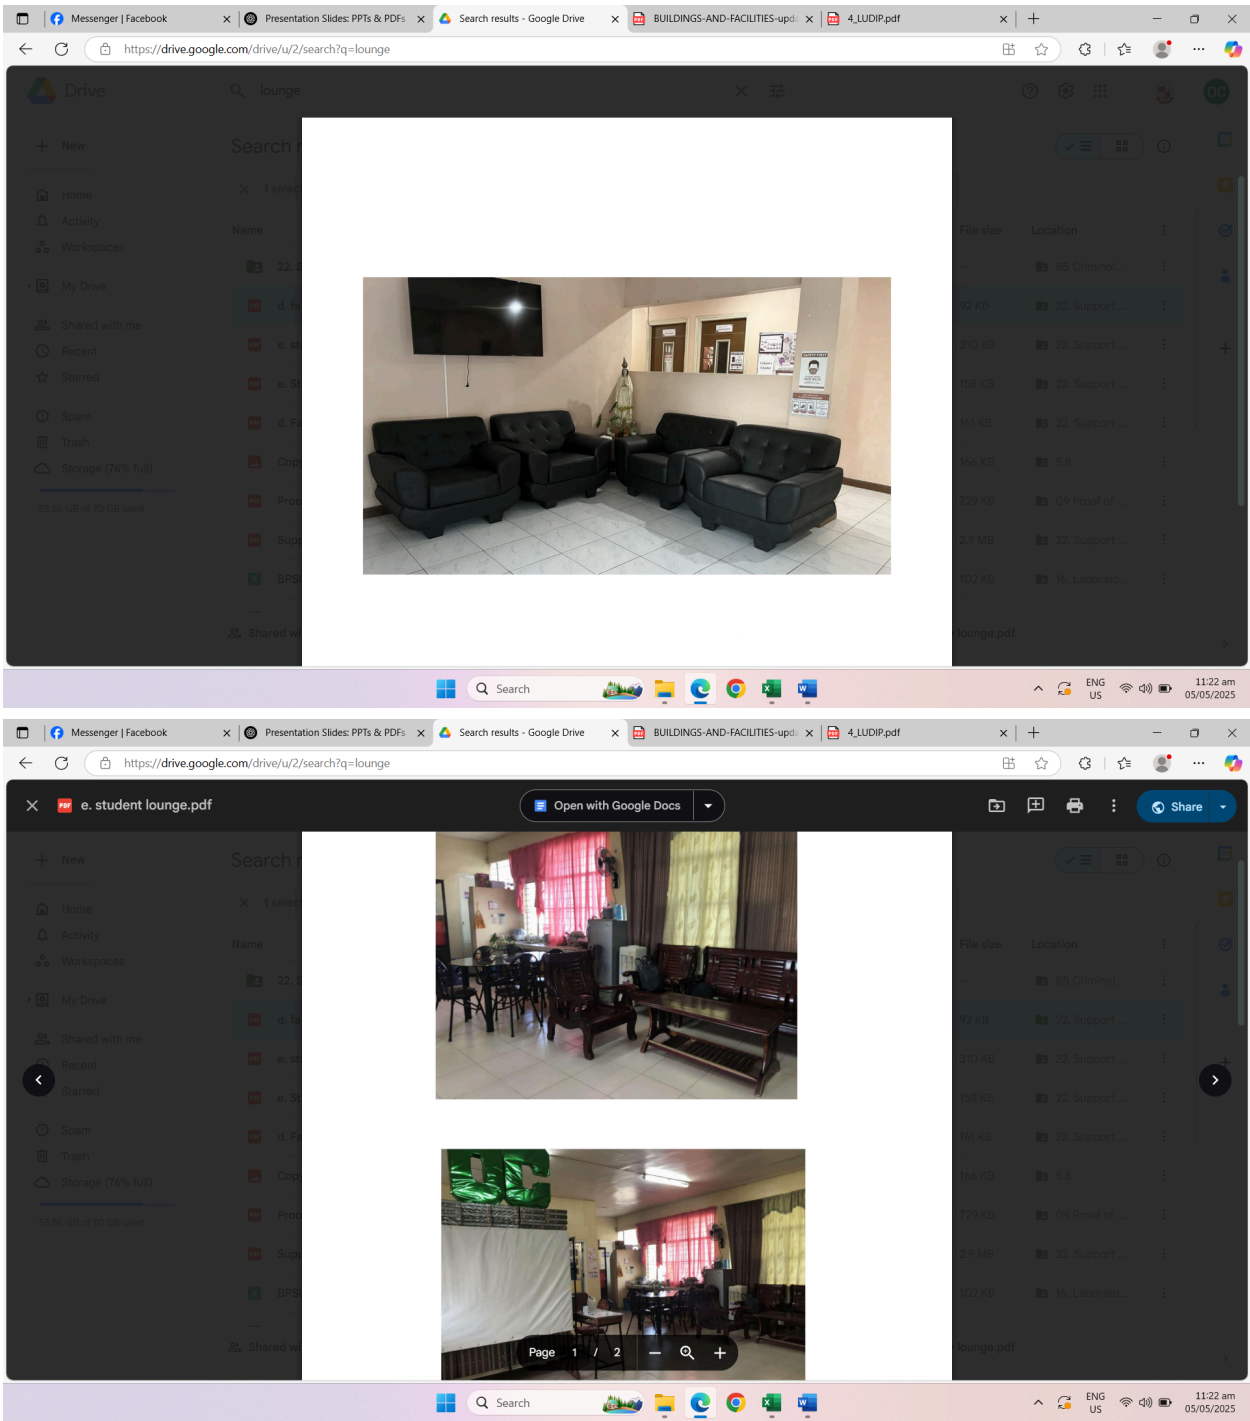

Paragraph 3: Enhancing Campus Life and Productivity

The strategic presence of function rooms and lounges contributes to a vibrant and inclusive campus environment. These spaces offer both students and staff opportunities for meaningful engagement outside the classroom, supporting wellness, creativity, and collaboration. By ensuring accessibility to such facilities, Orani Campus reinforces its commitment to creating a balanced and dynamic learning environment for all stakeholders.
