

Holiday Party!

December 7, 2023

To celebrate the upcoming holiday break and to have fun together, Team 2135 built some team spirit with a Holiday party! And what's a holiday party with holiday cookies? Everyone had fun frosting and sprinkling and eating their own holiday cookies. A delicious way to celebrate!

The team also had some fun playing some silly party games like Musical Chairs and Red Light/Green Light. Keeping up with the moves on the big screen Just Dance was a fun challenge. Lots of laughter and delight! What a wonderful way to end the season and look forward to Kickoff!
