**II. Read the text below. Fill in the blanks with the words from the box.**

*pressure    respect    standing up    disagree    teenage    friends*

Friendships can be complicated at 1) \_\_\_\_\_ years. You may be making new friends while you are trying to keep old ones. One thing that can make any

relationship complicated is peer 2) \_\_\_\_\_. Peer pressure is when you choose to do something you usually wouldn't do, or you stop doing something that you normally would do because you are worried about what your 3) \_\_\_\_\_ will think. Some friends may pressure you to do something because «everyone else does it», such as making fun of someone. One of the biggest challenges that you may have to face is 4) \_\_\_\_\_ to a friend. Here are tips to help you handle a disagreement with a friend: You always have the right to say «no» to your friend whenever you want to. Good friends should 5) \_\_\_\_\_ your right to say «no» about anything and not give you a hard time. It is important that you show your friend the same respect when they say «no» to you. If you and your friend 6) \_\_\_\_\_ about something, it doesn't mean your friendship is over. Real friendships involve trust and the ability to respect each other's differences.
