Hey [Business Name],

I hope you're doing well! I recently stumbled upon your Instagram, and I have to say, I'm genuinely impressed by what you're doing with [Brand Name]. Your passion and creativity shine through.

While checking out your online presence, noticed something – your website has loads of potential, but it feels like it could use a bit of a makeover. It's not as lively and inviting as your Instagram.

I'm a digital marketer and a copywriter, but above all, I'm a storyteller. I believe your website should tell an engaging story that keeps visitors hooked. That's where I come in.

I'd love to help you give your website a fresh, more inviting look and infuse it with captivating content. We can make it feel more like an extension of your amazing brand.

If you're up for a friendly chat to explore the possibilities, just give me a "yes," and we can start this exciting journey together.

Always the Best,
