Seeking Applicants for Governing Council Vacancies

The School of Dreams Academy Governing Council invites interested individuals to apply for vacancies in our Governing Council. The SODA Governing Council plans to appoint new members at the September 6, 2022, regular meeting. Our Governing Council meets monthly on the first Tuesday of each month at 7:00 p.m. Occasionally, special meetings are required in order to conduct school business in a timely manner.

The School of Dreams Governing Council is responsible for upholding the vision of our charter school through effective governance. The Charter School Division of the Public Education Department requires charter governing bodies to perform various duties including ethical and financial oversight, establishment of, review, and revision of broad organizational policies, employ and oversee the school's head administrator, and ensure and be accountable for the academic, financial, and organizational performance of the school. Click this link to learn more about governing board responsibilities. New GC members must agree to attend 10 hours of PED authorized training during the first year, and 8 hours of training per year after that.

Interested individuals should submit a letter of interest and current resume to:
