

Hello Session One Zero Robotics Teams!

We hope that your season is off to a good start. This email includes a few reminders and updates.

Student Surveys

We'd also like to ask that you have your students complete the Student Pre-Survey on the first day that your team meets.

This survey can be found on the ZR website by navigating:
ZR homepage→ Evaluation Surveys→ Student Pre Survey

SPACE-S MS 2D Game Available

- The summer 2017 game has been released! It's called Space SPHERES! To access it, go to the IDE tab on the Zero Robotics homepage, select "New Project", and be sure to select "**SPACE-S MS 2D**" from the drop down menu under "Game"

SPACE-S MS 2D Game Manual and Game API documents Updated

- The latest version of the game manual, as of now, is [version 1.2](#). Key changes include:
 - Removed penalty for colliding with other SPHERE.
 - Clarified description of several game-specific functions in the [API](#).
 - Added the "I am red" and "I am blue" functions to the API.
 - The scoring function for the SPS triangle has been defined.
 - The minimum distance between SPS has been defined.
 - The minimum area of the SPS triangle has been defined.
 - Updated figures to reflect SPS changes

Training Materials

- All previous training material and WebEx Recordings can be viewed [here](#).

Week 1 Replacement Links

- It has been brought to our attention that some of the links on the week 1 section of the Middle School Curriculum are no longer working. While we are working on putting up new links on the website, you can access replacement links through this document:
