

Nomai Body Count

Sun Station:

Sitting in front of the sun viewport, with the Ash Twin projection stone in hand (Idaea)

Ash Twin - Towers:

1. Under the bridge, just outside the ATP teleport door (Yarrow?)

2. Inside the Timber Hearth tower

3. Inside the Giant's Deep tower (Privet?)
4. Inside the Giant's Deep tower (Ramie?)

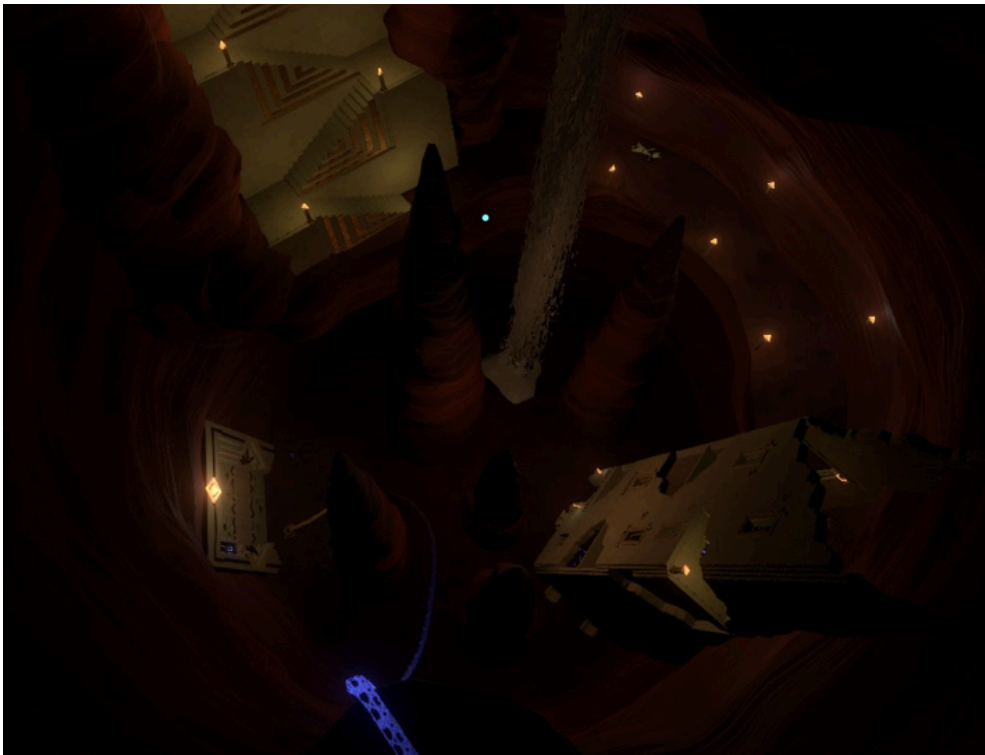

Ember Twin - Gravity Cannon

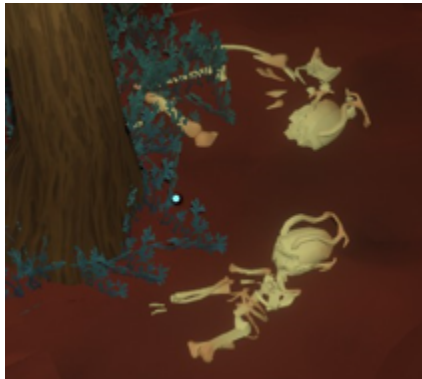

Inside the shuttle after it is recalled (Clary)

Ember Twin - Sunless City Center & High Energy Lab Trailhead

- 1&2 - Under a tree by the lights

- 3 - On the path near the foot of the tall stairs

- 4 - Inside the building with the tall lift (left of stepping stone district)

Ember Twin - Sunless City Stepping Stone District

Above the stairs, built into the cliffside and accessed by tunnels from behind

- 1 - Inside the building near the door, built in to the wall

- 2 - Inside the skinny house with 3 windows (child)

- 3 - Leaning through the grate between previous and next (child)

- 4 - Inside another skinny house you have to jump to (child)

- 5&6 - Inside the lowest skinny house, in the beds (adult and child)

Ember Twin - Sunless City Anglerfish Overlook District

To the left of the lights, directly above Stepping Stone district.

- 1&2 - Inside the lift building directly left of the lights (one on each floor)

- 3&4 - Main complex first floor, on the benches immediately to the left of the opening

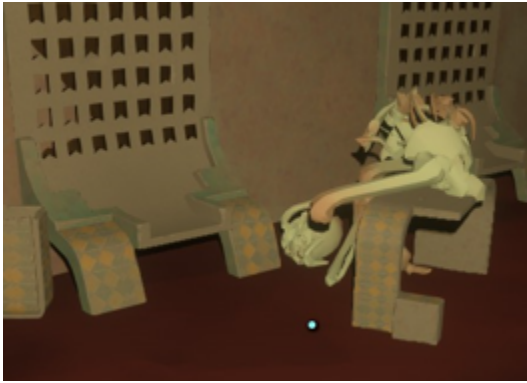

- 5 - On the low furniture, through the door just past the previous

- 6 - In the same room as previous, right of the door

- 7 - On the other side of the broken wall from the previous

- 8 - Through the door, turn left, through another door, near the cactus sandfall

- 9 - Through the door left of the previous

- 10 - Under the sandfall in the center of the area, in front of the blocked building

- 11&12 - Sitting on benches to the right of the blocked building (adult and child)

5. Floor near the tower designs

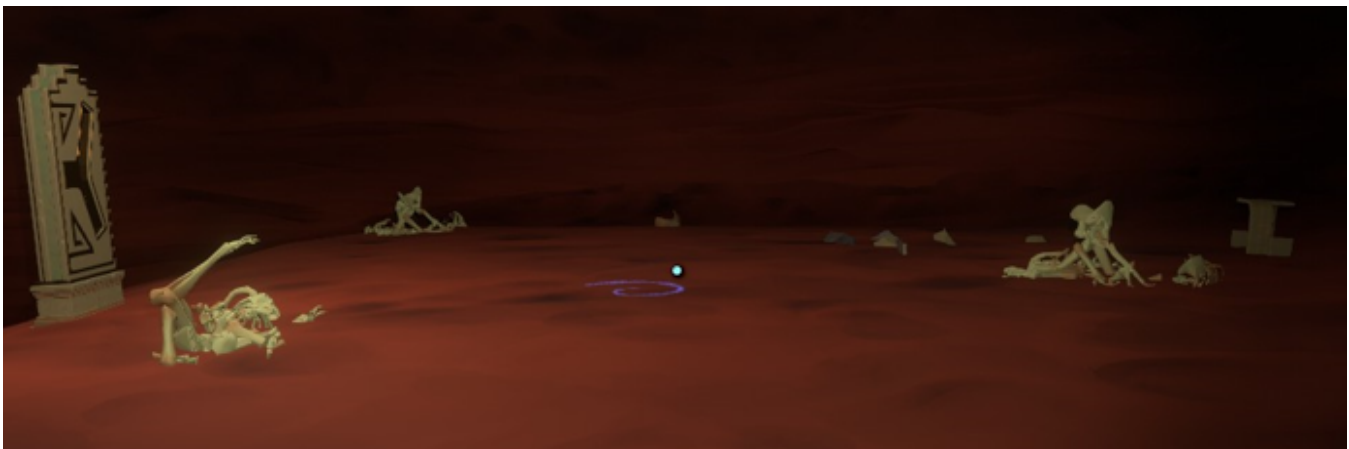

Ember Twin - Anglerfish Fossil Cave

4 bodies of children :<

Ember Twin - Lakebed Cave

3 bodies that move around quantum-ly

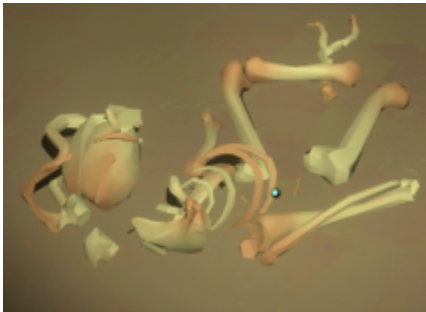

Timber Hearth - Museum

A single skelly, unknown where it was found but possibly somewhere near the mines. (I like to think this is Coleus, it seems fitting somehow.)

Timber Hearth - Mining Site 2B:

1. Near the entrance

2. Near the first scroll wall, in the corner near the carrying crates

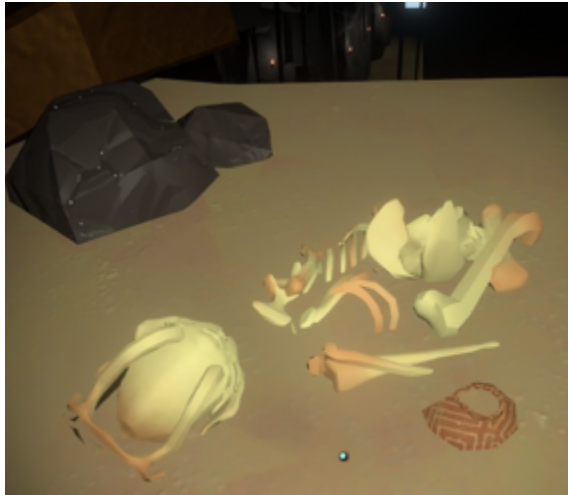

3. On the ramp path, tucked away in an alcove

4. On a bench near the projection pool (This one is the closest to the Ash Twin projection stone, so maybe this is Oeno?)

5. In the corner near the projection wall (Seems to have been eating with Oeno, maybe this is Cycad?)

Hollow's Lantern - In a lava lake on the surface (not one of the volcanos.) Unsure if this is "canon" or just an easter egg? If it is canon, it may be the only Nomai body outside of Dark Bramble that's likely to have died before the comet.

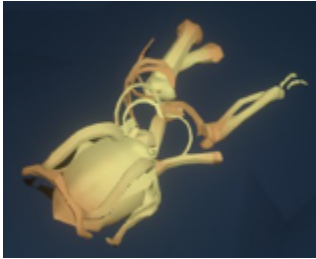

Brittle Hollow - Gravity Crystal Workshop

1. In the building to the right of Riebeck's old camp

2. Child body in front of the ghost matter house

3. Inside the tree house

Brittle Hollow - Gravity Cannon

2. Near the projection pool

Brittle Hollow - Hanging City School District

- 1&2 - Inside the first doorway on the right, looking down through the broken floor

- 3&4 - Drop down, go through the door, follow the path, through the door and down the stairs.

- 5 - Through the nearby door, in the ghost matter

- 6&7 - School room - two kids near the back

- 8-10 - School room - two kids and an adult near the front

- 11 - In the mostly destroyed building, on the other side of the ghost matter

- 12 - In the same building

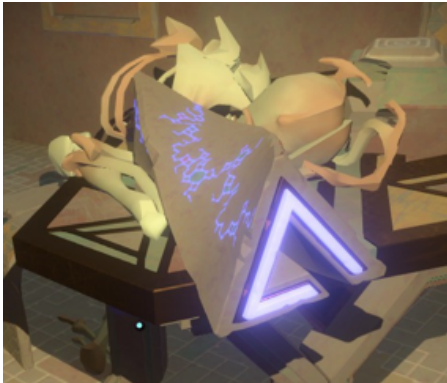

Brittle Hollow - Hanging City Meltwater District

- 1 - On the second floor of the smaller house opposite the message boards

- 2 - On the second floor of the larger house, holding the Solution 1 scroll

- 3 - On the fourth floor of the same house (where Poke's thoughts are written)

Brittle Hollow - Hanging City Eye Shrine District

- 1&2 - Adult and child just inside the first doorway

- 3&4 - On the second floor of the same house, adult and child in beds

- 5&6 - On the ledge across from the previous that you have to jump to

- 7&8 - Cross the broken bridge - in the bed and near the broken wall

- 9-11 - Drop down and hop over the wall - 2 kids and an adult in the room with Cassava's recording

- 12 - Backtrack - on the level above the body in the bed

- 13 - Through the door and across the bridge

- 14-16 - Up the stairs twice from the previous - three adults at tables

- 17-19 - Down the stairs and into the shrine proper - 3 bodies around the first tree

- 20&21 - On the other side of the shrine - 2 bodies around the other tree

- 22 - From the previous, jump the gap to the ruined building

- 23&24 - Up the stairs from the previous - two adults on the floor near a table

- 25 - Up the lift from the previous, in the room with Solanum's thoughts on the Eye

- 26 - A child's body up the stairs from the previous

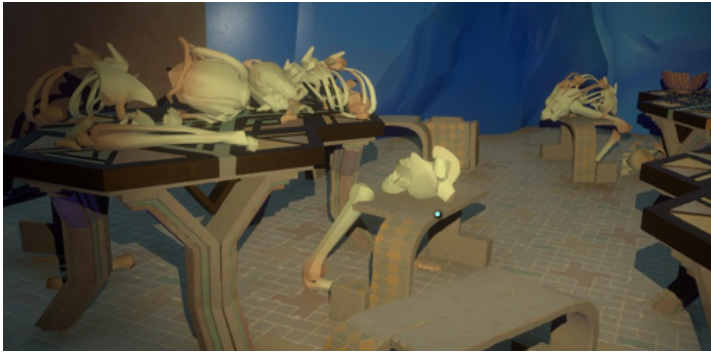

- 27 - Through the door, on the terrace across the way (halfway inside the floor)

- 28-30 - Inside the building across the way, 3 child bodies around a toy

- 31-33 - Same room - 3 adult bodies at the tables

- 34 - Same room, in the corner (this room is directly above the first set of bodies)

Brittle Hollow - Black Hole Forge

- 1&2 - Adult and child near the signpost
