

Castleberry Athletic Booster Club

2025 College Scholarship Guidelines and Application

1. The CABC scholarships are given annually to four qualified student-athletes.
2. The CABC Scholarship fund consists of \$4,000.00, which is divided into four equal scholarships of \$1,000.00. If the total number of qualified candidates are fewer than four candidates, the \$4,000.00 will be divided and distributed equally to each qualified candidate for two semesters.
3. The scholarships are determined by a Scholarship Committee consisting of five members of the local community such as ministers, city officials, business owners etc. A family member of a student that is applying for the scholarship may not serve on the scholarship committee.
4. The Athletic Director will present the essays and qualifying criteria to the committee for selection minus the applicant's name in an effort to ensure a fair and meritorious selection process.
5. **The disbursement of the scholarship will be a check made out to the University, Junior College or Trade School the student is attending in \$500.00 increments per semester. All scholarship winners must submit in writing the students full name, id#, attending university/ college name and address to which the scholarship will be sent.**
6. The scholarship will be honored for nine months after graduation. If the scholarship monies are not used in nine months the monies will be placed back into the CABC general fund.

Criteria for Selection

- The applying student must have attended Castleberry High School for at least two years.
- The applying student must be a graduating senior in the year they apply.
- The applying student and their parent/guardian must be a member of the CABC for at least 6 school months of the applying student's senior year.
- The applying student must have lettered in a sport during the current year.
- A parent/guardian (or adult relative/mentor) of the applying student shall complete 30 volunteer hours of the applying student's senior year. Note: A student may volunteer themselves to earn the 30 volunteer hours needed for qualification.
- The applying student cannot be found in violation of standards of conduct set forth by the Athletic Department or the School District.
- School Attendance must be acceptable.
- School Conduct must be acceptable.
- CHS Athletic department will be responsible for confirming eligibility of the applying student prior to passing application on to the Scholarship Committee for selection.
