Por qué todos ustedes me comparan con ciertas personas inutiles que no duraron nada en internet? Literalmente a ustedes los tengo de arrastrados, imbéciles y torpes. Me querían venir a asustar con que casos como el mio han pasado mucho en internet, y que por eso, a mi me pasaría lo mismo que a ciertas personas. Claro que no Jaja, solo son unos ANIMALES, por qué les hace enojar tanto? En qué les afecta? Yo ya dije que me dan asco esos animales, no me parecen lindos, son más lindos muertos. Ustedes siguen aún sabiendo que son inútiles desde nacimiento, NO ME VAN A ATRAPAR, ya les he dicho, solamente estaba siendo yo mismo hasta que aparecieron muchas personas malas a querer atacarme. No sé, nunca entenderé que hay de especial en los animales

Pero es en serio, de qué les sirva que un animal viva o muera? Al final, hay millones en el mundo, yo no entiendo aún por qué tanto enojo hacia mi persona. Me están atacando sabiendo que yo puedo aportar más que ustedes en este mundo, y definitivamente soy más inteligente que ustedes. No me comparen con edgys de internet jaja yo soy mejor que ellos, yo no necesito creerme malo, PORQUE SOY BUENA PERSONA Y SIEMPRE voy a creer lo mismo, yo siempre seré una buena persona. Yo no soy malo, solo razonable, todos ustedes deberían admirarme por mi amabilidad a este paso. Por cierto, yo SI los mato: la primera vez que pasó fue hace muchos años atrás, cuando agarré a un conejo de un familiar y lo ahogue de forma 'accidental', igual fue gracioso que me

ENGLISH

Why do all of you compare me to certain useless people who didn't last on the internet? I literally have you all acting like groveling, idiotic, clumsy fools. They wanted to come scare me saying cases like mine have happened a lot on the internet, and because of that, the same thing would happen to me as to certain people. Of course not, haha, they're just ANIMALS, why does it make you so angry? How does it affect you? I already said those animals gross me out, I don't find them cute, they're cuter dead. You keep going even knowing you all are useless from birth. YOU WON'T CATCH ME, I already told you, I was just being myself until a bunch of bad people showed up trying to attack me. I don't know, I'll never understand what's so special about animals

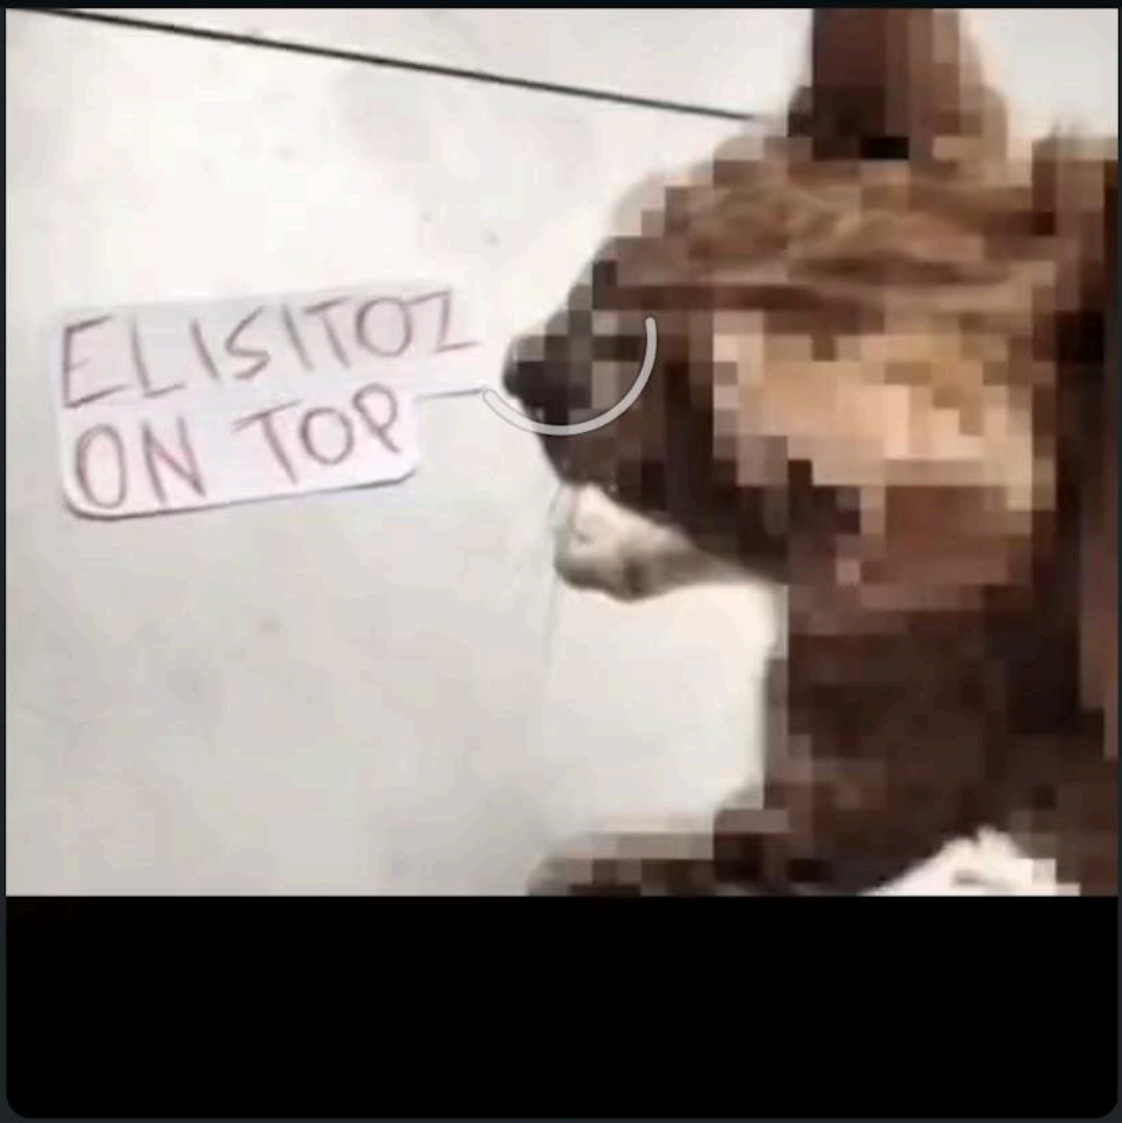

Seriously though, what good does it do you whether an animal lives or dies? In the end, there are millions of them in the world, and I still don't understand why there's so much anger directed at me. You're attacking me knowing I can contribute more than you in this world, and I'm definitely smarter than you. Don't compare me to internet edgys, haha, I'm better than them, I don't need to think I'm a bad person, BECAUSE I'M A GOOD PERSON and I'm ALWAYS going to believe the same thing, I will always be a good person. I'm not a bad person, just reasonable; all of you should admire me for my kindness at this point. By the way, I DO kill them: the first time it happened was many years ago, when I grabbed a relative's rabbit and drowned it 'accidentally'; it was still funny that they called me a murderer just for

I would like to mention that I and a group of people have been investigating. The person responsible calls himself "Elijah" or "Kim Elijah," It's also related to groups and numbers that use explicit content such as suffering or mutilated animals, and even worse content like child pornography. Here are their numbers and their locations so you can report them. Or bring them before the authorities:+52 783 111 9632 from Mexico, +1 (289) - 7669 from Canada, +63 975 064 1544 from the Philippines, +1 (581) 256 - 7861 from Canada, +66 65 632 3237 from Thailand, +57 315 4255233 from Colombia, +1 (782) 590 -3942 from Canada. He has two WhatsApp channels, one is the famous "Elisitoz", where he uploads numbers and videos of animal abuse, and the second is called "Elijah's Korea". Some of the code names are the aforementioned "Elisitoz", "Elijah" or "Kim Elijah".
