AUTHOR 2 (ORCID: 0000-0000-0000-0000)*: (activities performed),
INSTITUTION, CITY, STATE, E-MAIL

AUTHOR *n* (ORCID: 0000-0000-0000-0000)*: (activities performed),
INSTITUTION, CITY, STATE, E-MAIL

The text is an unpublished work and has not been published in part or in full,
or is being considered for publication elsewhere in print or electronic format.

In case of acceptance of this text by *Physis: Revista de Saúde Coletiva*, we
declare to be in accordance with the policy of public access and copyright
adopted by *Physis*, which provides as follows: (a) the authors retain the
copyright and grant to the Journal the right of first publication, the work being
simultaneously licensed under the *Creative Commons Attribution 4.0 Brazil
(CC-BY 4.0 BR)*, which allows the sharing of the work with acknowledgment
of authorship and initial publication in this journal; (b) authors are authorized
to enter additional contracts separately for non-exclusive distribution of the
version of the work published in this journal (eg, publishing in institutional
repository or book chapter), with acknowledgment of authorship and initial
publication in this journal; and (c) authors are permitted and encouraged to
post and distribute their work online (eg, in institutional repositories or on their
personal page) at any point before or during the editorial process, as this may
lead to productive changes, as well as increase the impact and citation of the
published work.
