- Link 1
- Link 2
- ...etc

****Description**:** What does your project do?

****Product**:** Describe your products.

- How do they work?
- What are the main features?
- How your product adds value to the Rootstock ecosystem.
- What's its synergy with other projects on Rootstock?

****Mission**:** What is your larger mission and objectives?

****General traction****

What stage is your project at? What are some of your key achievements (user count, community numbers)?

****Conclusion**:** Why should the RootstockCollective community vote for you? Highlight the key reasons.

This template is designed to help award applicants provide all necessary information in a structured format, making it easier for RootstockCollective members to evaluate the proposal and make decisions.

Step 2: Submit your KYC

Please submit a [KYC application form](#) with the requested documents to the RootstockCollective Foundation for review and approval.

PART 2 - LIVE!

Step 3: Publish your proposal on-chain in the [RootstockCollective dApp](#)

The on-chain proposal should be submitted in the RootstockCollective dApp once the Collective Rewards goes live.

Please note that this submission is not amendable as it is on-chain, so please double-check before submitting it.

IMPORTANT NOTE:

- *To propose your application, you will need 1000 RIF.*
 - *Please confirm your Rootstock Wallet address.*
 - *The RootstockCollective will send you 1100 RIF ahead of time.*
 - *Furthermore - please be sure to have rBTC to pay for gas.*

Steps to submit an on-chain proposal

1) Please go to the Builder Activation Proposal.

You can access it in 2 ways:

a) via the Proposal screen of the RootstockCollective dApp and click on 'Create a Proposal': <https://app.rootstockcollective.xyz/proposals>

Select the Builder Activation Proposal type from the dropdown

×

CHOOSE PROPOSAL TYPE

Select the proposal you want to create, please take in mind the following:

Standard: Ask the community to vote on a request for allocation of funds from the RootstockCollective treasury for a Grant, a Growth Initiative, or other governing parameter aligned with community goals.

Builder Activation: Ask the community to vote on adding a Builder to the RootstockCollective's whitelist, granting them access to the Collective Rewards.

Builder Deactivation: Ask the community to vote on removing a Builder from the RootstockCollective's whitelist, revoking their access to the Collective Rewards.

c) Description of the proposal

Please include the link to the Proposal in the Discourse from Part 1

The screenshot shows the 'Create proposal' interface on the ROOTSTOCK COLLECTIVE website. The left sidebar contains links for 'My Collective', 'Treasury', 'Proposals' (highlighted), 'Communities', 'Collective Rewards', and 'Useful links'. The main content area is titled 'Create proposal' and includes a 'Publish' button. Below this, the 'PROPOSAL' section is marked as 'Completed' with a minus icon. It contains three input fields: 'Builder name' with the value 'MyProtocolOrdAppName', 'Proposal name' with the value '[YMM Builder Activation] MyProtocolOrdAppNam', and 'Description' with the value 'https://gov.rootstockcollective.xyz/c/collective-rewards/7'. At the bottom right of the form is an orange 'Continue' button.

d) Please press Continue and fill in the Address fields in the Actions section

Please include the address that will be used to identify you as the whitelisted Builder and the address where you will receive your rewards. Those could be the same address.

The screenshot shows the 'Create proposal' interface on the ROOTSTOCK COLLECTIVE website, now at the 'ACTIONS' step. The left sidebar is identical to the previous screenshot. The main content area shows the 'PROPOSAL' section as 'Completed' with a plus icon. The 'ACTIONS' section is also marked as 'Completed' with a minus icon. It contains two input fields: 'Builder address' and 'Receiver address (optional)', both with the value '0x958275dfd2558F7a84493F11617843E0a7598CA7'. An orange 'Publish' button is located at the top right of the form.

Please make sure you have provided the correct address and data. Press Publish to finish the process.
