## Montville Public Schools Chromebook/iPad Device Protection Plan Form 2025-2026

Chromebooks and iPads are valuable school property issued to your child, and there is a responsibility to take appropriate care of these valuable resources. Their year to replacement represents a cost to the district and consequent liability to students and parents. We have a warranty in place to cover the Chromebooks for manufacturing defects, but accidents may require a fine be levied to cover the repair or replacement cost.

In response, the district has developed a **voluntary** Protection Plan Program for Devices. Pricing of the Device Protection plan is based on your lunch status. To change your lunch status, you can fill out an application for free or reduced lunch. Please contact Carol Dodson, Nutrition Director at 860-848-9208 ext. 1614 or email [cdodson@montvilleschools.org](mailto:cdodson@montvilleschools.org) for more information and questions for Free and Reduced applications.
