

From her home in Northern Ireland, S.A. Monroe juggles the epic quest of raising three children with crafting exciting, romantic fantasy stories. She writes diverse love MM stories of action and adventure. Also dabbling in the polyamorous genre, she hopes to delve into more queer dynamics in the future, building intricate fantasy realms where bisexuality is a normal part of everyday life.

Beyond the page, Sophie channels her creativity into [CCNDesigns.art](https://www.ccndesigns.art), where she creates bespoke book covers and illustrations for fellow authors.
