HELLO.

MY NAME IS DUCKY SPARKLES.

YOU KILLED MY XANDY.

PREPARE TO DIE.

Dear Ace and Autumn,

YOU are a big stupid JERK! You are MEAN and RUDE and UGLY and FAT!!! Yeah you heard me! You are a fat tubby turd face that RUINS EVERYTHING!

My team was the BEST team in the whole entire world! People loved us and cheered us on because we were Team SMASHMOUTH UNICORN PUKE!!! We jumped through mazes and handcuffs and solved all the problems Human-Americans (and toasters, etc.) are faced with on a daily basis! We showed them that they too, can accomplish anything they put their minds to as long as they work hard for it! And boy did we work hard! People noticed our changes and saw how solid we were! They watched us come together like AUTOBOTS and UNITE! Fans started coming up to us, asking to give them life advice. And guess what?! We would give it! And at the end of the day, they would be able to sleep in the comfort of their own comfy beds, belly full of ice cream, hugging their cute little unicorn plushies, knowing that Holly's Life Coaching was a fraud and that Team SUP would always have their backs no matter what size, shape or species. We don't ~~diskriminat~~ ~~discriminat~~ DISCRIMINATE like the Gleebnorbs do. No. Instead, we build our followers up and teach them that no matter their disability in life, they can overcome it and achieve ANYTHING!

We are an ~~insperashon~~ inspiration to SOOO many troubled people. Like the selfish people who only think about themselves and have a hard time sharing- those people look up to our Gavi because he shows them that it's possible to change! I mean, he even shares his burritos now without even ripping off the part he chewed on and that's BIG! It means he cares SO much and considers me family cause family shares the same DNA and that's what we do here in SUP. I ate his burrito spit and now we are definitely ONE WHOLE PERSON in TWO different bodies. I'm the girl Gaviduck and he's the boy Gaviduck. A family who cares because we share. Basically, we are the same person because I have Gavi's DNA floating around in me and he has mine in him! Anyone who can't tell is BLIND! It's just sooo obviousssss! Like, have you ever seen him eat a handful of Skittles or see him skip into the middle of the road to tie his shoe?! THAT'S MY DNA ACE AND YOU CAN NEVER TAKE THAT AWAY FROM US LIKE YOU DID OUR XANDY!!!

YOU and your STUPID LOVER HODGES! I HATE YOU BOTH!!! MAYBE if you STOPPED BEING SUCH A JERK AND RUINING OTHER PEOPLE'S PICNICS- you'd see that he's acting out and killed our Xandy because of YOU! That's right, you FAT-HEAD!

You don't care about no one but yourself AND YOU KNOW WHAT?! You just took it too far JERKFACE-ACE! You don't DESERVE to have the power of Gavi in you! No way Jose! YOU DON'T EVEN DESERVE GAVI'S SELF HELP BOOK HE'S WORKING ON!!!

You are BEYOND help! You can't even see your own friend crying out for ya right in front of your own FRIGGIN FACE! Everyone else sees it! Week after week Hodges follows you around begging for your love and attention. He confessed his love to you RIGHT IN OUR FACES FOR ALL AMERICA AND ALIENS AND EVERYONE TO SEE!!! That boy LOVES you and he showed everyone on tv that he chooses YOU! I SAW IT WITH MY OWN EYES- him tossing that Adam Monster out and CHOSE YOU! But NOOOOO Ace don't care that Hodges is begging and pleading to be yours and yours only so WHAT DO YOU DO?! You say YOU DON'T WANT HIM! You broke his heart over and over and over- and because of YOU and your COLD BLACK HEART, MY XANDY IS DEAD!

## YOU MURDERER!!

Xandy-Pants was our SUP FAJA. Our gentle giant ❤️ sometimes meany pants but always said sorry in his own way. He was our FAMILY but since you don't care I bet you don't even got a family! Otherwise, you would know how bad it hurts to lose him and would have offered me and Gavi cookies or spaghetti or flowers or SOMETHING but nooooo YOUR STUPID STINKY FAT BUTT DOESNT CARE AND I WATCHED SERIAL KILLER MOVIES WHERE THEY CARE MORE THAN YOU!!!

😞 Xandy was taken from us way too soon and my heart hurts sooo bad from it. Like a buhzillion knives stabbing into it. I'll never be able to get piggy back rides or...or go to the Zoo ever again! Cause it will remind me of Xandy and I miss him so, so much! My heart just squeezes and I feel like I'm dying too. This isn't how it was supposed to go! YOU did that Jerk-Face Ace and you will PAY! I WILL HURT YOU BACK JUST AS BAD!! OR WORSE! I WILL DESTROY YOU IN THAT RING!!! How bout dem apples HUH! CASH ME OUSSIDE HOWBOW DAH!!! You're just EVIL. You and your admirer BOTH! Gavi and I won't have it!!!

Luckily, I have my Farmstead Friends to help me and make me feel better. While YOU were out walking around being mean, I was in a cabin watching Xandy die. You know how much I cried?! You know who was there to make me feel better? NOT YOU! You just destroy things! Hairless Penguin and Dancing Bear are the ones who came to help. Dancing Bear gave me the biggest most best hugs and snuggles to stop me from cryin and he danced with me! Hairless Penguin showed me that even though Xandy is up, far past the stars, that he's happy there and getting REWARDS. You would NEVER get a reward if YOU died. He also showed me that even though Xandy was far far away up there, that he will always be here, in my heart. And ya know what? It's TRUE! Not only in my heart, but his DNA is inside me too! That's what made our team so special! We

really are ONE! So no matter how far away Xandy is, he will always be inside of me and Gavi. A true trio.

And THATS why, for this match, it will be all for our Xandy! Gavi and I will go beast mode and activate our powers! With our TEAM SMASHMOUTH UNICORN PUKE COMBINED DNA we will summon the BEAST! Our Trio DNA combined will AVENGE OUR XANDY'S DEATH BY EXPLODING YOU! OUR GIANT FISTS OF XANDY WILL SMASH THROUGH YOUR GUTS AND MAKE YOU PUKE ALL OVER THE ARENA!!! YOU WILL FEEL THE WRATH OF THE RAINBOW RIGHT BEFORE YOUR BRAIN IS CLOBBERED!!!

SMASHMOUTH UNICORN PUKE

BITCH!

You deserve it. No one likes you cause you're such a giant asshole. You're fighting all alone because you didn't care enough about Autumn. But you know who DID care about Autumn? ME. I wanted to help her so bad. Fix her and make her shine....but she was already too hot and couldn't handle the pressure. I watched her die right in front of my eyes as ~~Hairless Penguin~~ killed her as her head exploded. Did you even come look for her? Noooooo you didn't because you were too busy butting in on people's tea parties. You're prolly the one who made Autumn feel so ugly too! All she needed was a few sparkles and ribbons but you can't see anything that doesn't involve you, can you?! I liked her. I really really did and I think if she were alive today she would probably say I was her friend... and in that cabin, she was my friend too.

AND, because I'm nothing like YOU, I'd like to take a special moment to ~~memorealize~~ memorialize Autumn.

Autumn,

You were a good lamp. The greatest lamp. You were so bright and always lit up the room despite the dents in your head. You looked out for me and you were just so kind. You offered help with Xandy's leg even though you had no arms. I know you are safe and in a good place because Hairless Penguin said lamps n stuff have a nice place they go to. I'm so sorry I couldn't fix your dents. I guess I'll never know if you like SpongeBob band-aids or Barbie. Rest well you porcelain beauty. May you light up the heavens and watch over us. ❤️

Amen.

Signed,  
Ducky

PS. Jerk face-Ace, I wrote you a letter cause the weird smelly lady I met at an airport told me letters are more personal. So I KNOW this will REALLY hurt your stupid feelings. Oh and I'm NOT gonna lick the envelope. I have devil stickers to use so you don't steal Team SUP's DNA. You've already taken enough from us so, TAKE THAT shit breath!

PSS. I hope your next poop BURNS REALLY BAD!
