

Emily

- Shown script more and read it through
- Show/read the prototype and first scenes
- Tell me what I'm doing with the finished product

Michi

- Readout mental health disorders
- connect it to the mental health/development
- show script
- Create outline/roadmap

Anna

- Look at the audience
- Talk about problems
- talk about the people I know with the issues

Morgan

- More about the story itself rather than just talking about the issues
