

This is me on the left (Trevor C)

You may know me...you may not.

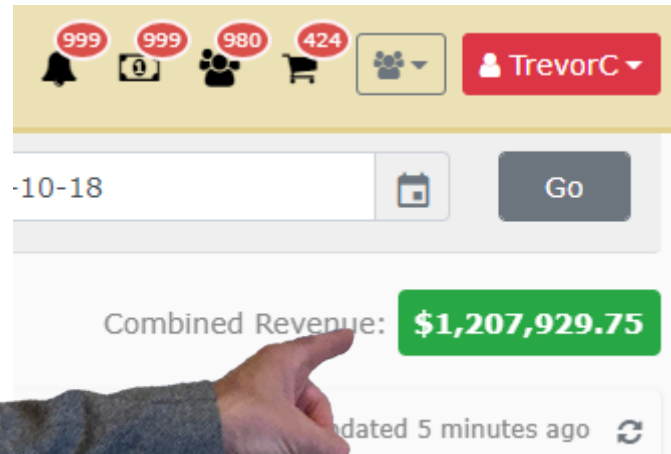

But what I am pointing at is **\$1.2 Million dollars**

Now I don't know about you...

But where I come from...that's a bloody lot of money

And the name in red is mine

Because that's my Warrior Plus account

If you know me, you'll know this

I am not a show off

So I'd like you to know the reason I am showing you this is simple

I want to teach you how to do the same.

I want you to achieve a million dollars and more

And believe it or not...it's WAY easier than you might think! 😊

“Trev! What's in it for me? Why are you showing me this?”

Good question my friend!

Well here's one thing. I've always wanted to prove to myself that even nice, honest people can be successful. You see, I actually do care about you. I care that you make money by doing what I teach you. I always have. Because I was in such a dark place in my life, and I don't (won't) go back there, and I don't want anyone else to stay there, or get anywhere near there! So I promised myself I would make it my mission to teach people HOW TO MAKE MONEY ONLINE...if I found out how to do it myself!

I think the image above conveys the message that I in fact *did* find out how to do it myself.

And over the years I have streamlined, polished and perfected the simple recipe for success online. The recipe for making money. Lol, that makes it sound a lot fancier than it really is. In reality, it's very simple. And you can do it.

You really CAN do it.

I took everything I've learned so far, and packed it all into a membership site called Breakthrough VIP.

You may have heard of it...you may not.

Over the next few weeks I'm going to add some new content to the member's area. The "Shinkansen" or bullet train modules. This will be a series of training sessions that will teach you the fastest way to make money online, and will be presented in the fastest way possible. No fluff. No unnecessary filling. Just what to do.

As with everything I teach, it will be honest, straight forward, and nothing will be left out.

The simple thinking behind this is that you can come into Breakthrough VIP and learn my entire business, over just a few weeks. That's there, ready and waiting. But with the Shinkansen you can also get the fast track. It's the closest I can get to putting my hands on your head and transferring my knowledge to you! 🤪

My fellow marketers (friends) who have experience of "high ticket" training saw Breakthrough VIP and immediately told me "it's a \$1,997 program all day long", but I resisted, and started the membership price way lower.

After several price increases so far, we are now still only at \$697. Which is, I have to admit, quite ridiculous in terms of value.

So the next price increase is coming soon. And I felt it my duty to let you know that. Because I know a lot of you are soooooooo close to saying "sod it, I'm in!" that it would be wrong to increase the price without letting you know.

The Shinkansen super fast start program is part of the new Breakthrough VIP at the new price point.

But I'm going to make you an offer.

I'll let you come in at the current price of ~~\$1,997~~ \$697 **and** get full access to the Bullet Train at no extra cost.

Plus I'm going to throw in some extra, juicy bonuses to make sure you realise the no-brainer that this is, and join me, and begin your journey to an incredible life.

Are you ready?

Let's be brutally honest, the world is a little f****ed up at the moment.

So now is the time to jump. Take a leap of faith. Have confidence in yourself that you can change your life, just like I did.
