

# **Physics Target 03-04** **I can evaluate the pressure in a system.**

**Learning Goals Record For** \_\_\_\_\_

**Assignment/Assessment & Date**

E	Exceeds Target (Exemplary)
M	Mastery of Target (Application)
P	Proficient in Target
AP	Approaching Proficiency
ND	Needs Development
NE	No Evidence to Measure

--	--	--	--	--	--	--	--

<b>Pressure Goal 1</b> I can distinguish between force and pressure and calculate pressure.							
<b>Pressure Goal 2</b> I can relate situations where pressure could be increased or decreased.							

I can calculate the pressure applied in a system.  
I can explain how pressure and area are related
