

## **Acknowledgement of Muddy Kids Cybersafety Rules And Responsibilities**

Muddy Kids NZ currently use ICT (Information Communication and Technologies) to document children's learning and communicate with families.

Equipment we currently use in our every day programme includes: Phones. Ipads, computers, video etc.

### **Muddy Kids Commitments**

- Each programme has a Facebook Group where information and daily activities are updated. This group is restricted to teachers and families of children that attend MUDDY KIDS NZ
- Teachers may access websites throughout the day to complement the programme curriculum
- Muddy kids will try our best to enhance learning through the safe use of ICT. This includes restricting access to inappropriate, illegal or harmful material on the Internet or ICT equipment/devices.
- We will respond to any breaches in an appropriate manner
- We welcome enquiries from parents/legal guardians/caregivers about cyber safety issues.

### **Parental Consent**

- I am aware that MUDDY KIDS NZ programmes will be using ICT to document children's learning and communicate with families about the day to day experiences.
- I will participate on any social media pages in a positive manner and not denigrate any child or family.
- I will bring any concerns I have directly to Muddy Kids staff, either in person, by email or by direct message.
- I will not share publicly photos that have been posted on the Muddy Kids private facebook groups without first obtaining permission from Muddy Kids and any other families pictured.

I GIVE / DO NOT GIVE permission for teaches from Muddy Kids to use images and video of my child for programme documentation e.g. Facebook, Promotional Material, Workshops, Newsletters, social media etc.

If you do not give permission- please express if any part of your child that can be visible on our platforms (side profile, back of child, voice, background)
