Call to Order

Review Meeting minutes from April - notes approved with the changes below 7 to 0

Nationals Note: Abbey emailed state NASP and nationals NASP to check on team Information

- Nationals NASP said that it was not how it works- if we were taking 12 and 1 bailed then that's fine but it shouldn't be that we are planning to go without enough for a team

- Before attending Nationals it needs to be decided what the number is for participation going forward

- the handbook also needs to include the number for 3D vs. Bullseye

Voting for New Board Members - both parents/guardians can vote which was why the Saturday voting session was added so that both parents/guardians could be represented

Old Business

1.) HS Banquet -

- a.) It seemed to go well and Thursday night seemed to be ideal and the time/location was good
- b.) There were several people that showed up without a RSVP - 88 plates RSVPed, but more showed up but didn't eat
 - i.) Maybe add a section in the RSVP if someone wants to show up but they don't want to necessarily eat
- c.) Cost - \$2217.60 which is minus the adult reimbursements (this is just the archer food cost without cupcakes/roses/senior gifts)
- d.) The KC Hall also does a free rental for sports if we wanted to look at that location in the future
- e.) Did Seniors seem to like their gift - they seemed to like it more than the wood box

2.) MS/Elem Banquet -

- a.) Cost - \$1075.86
- b.) How many pizzas were ordered - can look at the receipt for this information
 - i.) How much was left over - about 2 pizzas were left over
- c.) How many pitchers of beverages - can look at receipt for this information
- d.) We initially had the whole bowling alley rented out, but we let go of the extra lanes since the lanes were about \$30 a lane or so
- e.) Could we bring the date closer to the end of the season?

- i.) The trophies were a quick turnaround this year but they took longer last year - 2 weeks is the normal turnaround time
- ii.) It was more challenging to hear things this year because of background noise
 - (1) It is possible to maybe get the back room in the future for doing awards

3.) Nationals - final thoughts

- a.) Hotel Thoughts - Nice, very accommodating, good breakfast, the only negative was the pool reservation system
- b.) Go Kart place - about 20 minutes north of town
- c.) Should we book a block in Utah and/or Kentucky this summer in case there is a group going?
 - i.) Booking in the summer was easier and there were more options; waiting until winter made getting double queens much more difficult for Kentucky
 - (1) Kentucky we booked Embassy Suites by Hilton Louisville East and Hampton Inn Louisville East/Hurstbourne was a close second (that hotel was connected to a Home 2 Suites so it would be 2 separate blocks)
 - (2) Utah we booked Embassy Suites by Hilton South Jordan
 - (3) There is a document of all hotels that were contacted for both locations along with information about each hotel in the Nationals Folder on the board Google Drive

4.) Bow Return

- a.) Did we get all bows back - Yes we got them all back with exception of a few coaches children.

5.) End of the season survey

- a.) Only 37 responses so how could we get more responses in the future to get a more accurate picture of how people feel
 - i.) Bring a printout for the next meeting so that the results can be discussed more thoroughly

6.) Website - keep it the same for next season or pay for one?

- a.) It was a big improvement compared to the Sports Engine version - Keep it the same for now since purchasing one is so expensive
- b.) Jess can continue to run it or show someone how to run it; same with Sign Up Genius
- c.) New Registration Google Forms were made for the new season so that they can get edited at a later meeting
 - i.) Could cut the registration down and then do a secondary registration for tournaments, etc.
- d.) Sign Up Genius changes were made so that it is ready for the new season and can be edited

7.) Bylaws Update - Bev contacted the lawyer and the lawyer went into an emergency surgery so our changes are still in the works with the lawyer

- a.) Bev will pass on the contact info of the new President for them to go through

- b.) Circulate the bylaws to the new members, they can then see if there are any other changes they want made and to see if they are okay with the changes that were proposed, go through the lawyer for the changes, then send out to the voting members

New Business

- 1.) End of the Year gathering for coaches/board -
 - a.) Did coaches get their end of the year gift or are those going out at the end of the year gathering
 - i.) They are ordered - they can be given out at the end of the year party
 - b.) Talked about a shelter rental at a park, talked about other activities like ax throwing, etc.
- 2.) Arrow Scores - Princeton is hosting the Genesis Hunger Games on December 5th
 - a.) You get grouped by age and then you have a shoot off within the groups
 - i.) Adult, HS, MS, Elementary, Youth - under 4th grade
 - b.) About \$15 per archer - pay at the door entry fee
 - c.) This is prior to the season starting
 - d.) Registration opens September 1st for this - each archer can register on arrow scores and can pay for themselves beforehand so that nothing has to be done through the club
 - e.) 8 am to 4 pm flight times
- 3.) Elections -
 - a.) Board Positions for the year - June 1st to May 31st; each year you redo positions within the board
 - President - Jamee
 - Vice President - Teah
 - Treasurer - Frank
 - Secretary - Elisha
 - Coordinator - Dave
 - At Large - Erin
 - At Large - Abbey
 - motion was made for these positions, this was seconded - approved 7 to 0
 - b.) Pictures for the website - group photo at a future meeting
 - i.) Need to get Frank & Elisha a shirt and get the new coaches shirts all at the same time
 - (1) Get these in September/October
- 4.) Coaches - about 10 new coaches
 - a.) BAI Training is just new coaches - could do background checks for new coaches and then order shirts after they have passed the check
 - b.) All coaches meeting is around September - do background checks and photos at this time
- 5.) Scott is ordering the BAI packets which are about \$40 per packet and we will need 10 of them for new coaches
 - a.) Motion to pay for the new BAI training packets, seconded - approved 7 to 0

- b.) Scott will get an invoice/receipt to Abbey for the packets
- 6.) Brian will be stepping down from coaching this year

Next Meeting - Wed. June 17th at 7:00 pm at the NP Library
