Pack-Wide Schedule Coordination

This earns every adventure and almost every award while having a blast in the local community.

Fall Campout includes an International Spirit Award theme such as including food and fun from scouting around the world.

Spring Campout includes a STEAM theme and introduces public speaking skills that will be showcased at the End-of-Year Review.

Blue and Gold focuses on the purpose of scouting and the Arrow of Light journeys and accomplishments (loosely akin to an Eagle Court of Honor).

End-of-Year Review focuses on reminiscing, showing off personal growth, and developing public speaking skills. This placement helps the Spring elective activities maintain meaning and grounding in the scouting year while giving a hearty-send off into Summer.
