

MEET MRS. VALERIE JEFFERSON

Valerie Jefferson is currently employed at Navasota Industrial Supply. She works as an accounts payable manager, and has been with NIS for twelve years. Mrs. Jefferson graduated from Navasota High School in 1996, earning an athletic scholarship to Sam Houston State University. Mrs. Jefferson attended Blinn College where she majored in business management and accounting. Mrs. Jefferson and her husband, Earnest, have three children. Mrs. Jefferson has served as a Booster Club Member, and on the Parent Advisory Team. She has been an NISD Board Member for five and one half years. Mrs. Jefferson's goals for the district include: Maximizing student achievement and performance of students academically. Continuing to provide a safe and engaging learning environment that promotes progress. Seeking involvement and participation of the entire community and providing high quality teachers and administrators. Mrs. Jefferson feels the community is the foundation for the vision, supporting education and job related efforts, and would like to see more focus on disadvantaged youth, literacy, and career skills development.

"As school board members we advocate for the students in regards to their education. We incorporate the community views when making decisions, and ensure that the students get the best education for the tax dollars spent. As we continue to adopt a fiscally sound district budget, we will need to continue to work as a team and collaborate well with others."--Valerie Jefferson
