

In order to set up your account to order Standard Process products

Go to patient registration under the Patient direct tab on Standard Process:

<https://www.standardprocess.com/Patient-Direct/patient-registration>

Then use my practitioner code: JFVD62

Verify and agree

Then they will send you an email with a link. You must click on that link to verify you are not a robot. Once you have clicked the link, please text me 806-683-0064 and let me know you have done this. I will then approve you and you should be set to order with no more hoops to jump through with future orders.

Once you have your account, if you are ordering the cleanse products, you will purchase:

[Sp Cleanse](#)

[Sp Greenfood](#)

I also highly recommend their [Detox Protein](#) or [Dairy free Protein](#)

Or you can order [Garden of Life's Raw Organic Protein](#)

(I know you can order these products from amazon but they are usually almost expired and remember I am a small business and amazon made a trillion dollars last year. I appreciate your business.)

Weekly Cleanse Supplements
