(Sofia L) I see that Sistine is not scared of being different because she is wearing different clothes and her name is also different. (Valentina Livore)	I think that Rob got inspired by Sistine because she showed him that you need to protect yourself. (Duda)	I wonder why Sistine is so rude and mean. (Sofia L) Backstory - She is new to Lister, her father doesn't live with her, perhaps her parents are divorced and she feels lonely, perhaps she was bullied at her old school

(Isabella) I see that Sistine is defensive because after the boy tripped Rob, she looked at him with hate. (Felipe) I see that Rob hasn't changed his actions, but he is changing his mind. (Lara) Backstory - Sistine inspires Rob to stand up to the bullies, but hasn't taken action yet I see that Sistine is what she wants to be, not what others want to see. (Lara) Backstory - Sistine chooses to wear	I think that maybe Sistine does not want to be lonely. (Sofia F) Backstory - Perhaps her parents are divorced and she feels lonely	I wonder if Sistine lost her parent just like Rob. CHAPTER 7		
I see Rob doesn't want to tell anyone his secrets, especially Sistine. For example, he doesn't want to open up his suitcase more. (Jiho) I see that Sistine always says things sharply and strongly. For example, when she told Rob to "Shut up!"(Duda) I see that Rob wants to show Sistine that he knows things too. For example, Rob shares what he knows about the Sistine Chapel. This is showing us that Rob is starting to take risks. (Duda) I see that Sistine does not go out without a fight. For example, she had scratches and her dress was ripped. (Tom) I see when Rob was talking to Sistine, the suitcase was opening, but the bullies	I think that Rob is amazed because he never saw someone that fights back. For example, he stares at Sistine with his mouth open. (Tom) I think Rob and Sistine will meet each other often, possibly in the forest. (Sofia Lee) I think that Rob liked it a little when Sistine put her hand on his knee (Mada) Backstory - Sistine's hand reminds Rob of his mother's hand (Isabella); This is showing Rob that she likes him (Mada); I think he has not been touched calmly after his mom died (Caspar) I think Sistine has a connection to Rob's mom. (Valentina Livore) I think that Rob is becoming like Sistine, and Sistine like Rob. (Ana Claudia) For	I wonder <u>if</u> or <u>when</u> will the bullies stop bullying Rob. came and it shut. (Sofia Lee) I see he opens his suitcase with Sistine, but closes it when Billy and Norton came on the bus. (Caspar) I see Rob likes to talk depending on the person he is talking to. (Felipe)	example, Rob started to talk a lot about the Sistine Chapel and Sistine was more quiet, she was more concerned about catching the rash. (Mada and Antoine)	contagious. (Luiza)
CHAPTER 8		
I see that Rob is thinking a lot about Sistine. For example, he dreamed about her and carved her in wood. (Felipe) I see that Rob is embracing challenges by talking to Sistine. (Duda) I see Rob is curious about Sistine because he kept thinking about her and carved her in wood. (Jiho)	I think Sistine lost somebody and she wants someone else. (Arthur) For example, her dad is not with her and she would like Rob to keep her company. (Valentina Lima); Also, Sistine's hand reminds Rob of his mother. This could also be a connection that Sistine's has to Rob. I see that Rob likes dark things. (Antoine)
For example, when he was drinking coffee, he liked how it was bitter and dark. Also dark helps him to not remember of his mom's funeral. In addition, he likes it when it rains

I think that he got his rash when his mom died because he got his rash 6 months ago, that's when he lost his mom. (Felipe)

I think that Rob likes the coffee because the coffee is dark like rain, not light like the sun. (Madalena) **Backstory** -

(Arthur) Backstory - Willie May is like Sistine because she gives Rob advice in a sharp way (direct and to the point).	I think that Rob will tell Sistine about the tiger because he thinks that Sistine will keep a secret. (Duda) I think that even though Rob knows how to cure his rash, he will try to push his sadness even deeper to his legs because he does not want to go back to school. (Tom) I think the Willie May is trying to teach Rob to take the sadness out of him and open his suitcase. (Isabella) I think Rob is going to tell Sistine about the tiger because he thinks she will believe him. (Valentina Lima) I think the sadness can affect your body, so let the sadness out. 	I think Rob will tell Sistine because Sistine is the only friend he has. (Caspar)	
CHAPTER 11		
I see Sistine is changing by believing and actually showing her true self. (Jiho) For example,	I think Rob chose the right person because Sistine believes in him (Antoine) I think Rob wants to tell Sistine because she keeps promises. (Gabi) Backstory - I think Rob picked the right person to tell about the tiger because he trusts Sistine. (Jiho) For example, she said "Where?" and not, "Are you crazy?" CHAPTER 12		
I see that Sistine is changing by saying compliments to Rob. For example, she said, "It's perfect." "You're an artist." I used to think Sistine was rude because she talked sharply, but now she is nice because she believes in Rob. (Gabi) For example, she gave Rob compliments. I see Rob truly wants a friend. (Felipe) For example,	I think Rob is sad about Sistine leaving. (Antoine) I think their relationship is changing because Rob told Sistine about his mother's death. (Antoine) For example, I think their relationship is changing because now she knows Rob's secret. (Felipe) I'm realizing that Rob and Sistine are	I wonder what will be Sistine's reaction when she sees the Tiger. (Felipe)

	happy and are friends now because when Sistine went his place, she was really kind. For example, she talked to Rob in a soft, more gentle voice, and also gave him compliments. (Mada)	
CHAPTER 13		
I see that Sistine wants Rob to open his suitcase because she opened hers. (Gabi) For example, I see that Rob is letting his sadness rise up to his chest. He's letting his sadness go. (Jiho) For example,	I think Sistine is mad because Rob is too quiet and won't tell her things. (Gabi) Backstory - I think Rob's relationship with Sistine is changing because they're telling each other family information. (Jiho)	I wonder if Sistine Dad will come to pick her up. I see that Rob was happy when his mom was alive and there was light. (Jiho)	I think Sistine gets mad because she puts her hands on her hips. (Mada) I think Rob does not like to think of his mother because it reminds him of dark moments. (Mada)	I wonder if Rob is losing his happiness because Sistine is leaving. (Jiho) For example, I wonder if Rob is losing his happiness because his dad is putting the cream on his legs. (Valentina Lima) Backstory -
CHAPTER 16		
I see when Sistine wants information, she is demanding so people respond. (Luiza) I see Sistine does what she wants. For example, she wants to free the tiger. (Sofia Lee) I see that Sistine and the tiger are the same because they are tough and the tiger is trapped, just like Sistine is trapped too. (Valentina Livore) Backstory -	I think Sistine's mom and dad chose her name because they fell in love in the Sistine Chapel. (Valentina Livore) I think Rob is holding everything in his heart. (Valentina Livore). Backstory - I think the words cancer and Caroline make Rob change because he is telling more about his Mom. (Valentina Livore)	I wonder if Rob's mom gave him confidence. (Valentina Livore) I wonder if Sistine is really like her mom. (Valentina Livore) For example,
CHAPTER 17		
I see Sistine stares just like Willie May. (Valentine Livore) For example, I see that Rob's dad doesn't care about	I think Rob's dad is mean. For example, he shot the bird and said. "It's just a bird." (Sofia Lee)	I wonder what Willie May means when she said, "Let him go." (Ms. Arcenas) For example,

people or things. For example, he does things to prove he can do it. Just like he shot the bird.		
CHAPTER 18		
I see Beauchamp is rude, arrogant and he does care people. (Ana Claudia) For example, I see that Beauchamp doesn't care about animals, just like Rob's father. (Duda)	I think that inside the bag is meat. (Duda)	I wonder what Beauchamp will ask Rob to do with the Tiger. (Jiho)
CHAPTER 19		
I see Beauchamp is selfish. (Jiho) For example, I see the tiger is being compared to Sistine. (Jiho) For example, they are both trapped. (Antoine)	I think Rob is scared to have keys in his hand because he might let the tigre go. (Madalena)	I wonder if Rob will tell Sistine about the keys to the cage. (Madalena)
CHAPTER 20		
I see that Sistine stands up for what she believes because she told Rob, "You can't stop me." (Jiho and Antoine) I see that Sistine is becoming more sensitive. For example, she cried. (Ana Claudia)	I think Rob and Sistine's relationship is changing because they comfort each other. For example, Rob put his hand on Sistine's neck. (Jiho) Backstory -	I wonder why Sistine is crying. 		- Trust each other (Gabi) - Never give up! Believe in yourself (Madalena)
CHAPTER 21		
I see Willie May is realizing that Sistine is angry. (Jiho) I see that Sistine stares with an open mouth. (Antoine) For example, Compare and Contrast: (Isabella) Sistine - Angry - Hates Lister Willie May - Wise - Works at the Kentucky Star Motel How are Sistine and Willie May the same? - Sharp - Stare	I think Willie May's advice to Sistine means to let her anger go, just like Rob to let his sadness go. (Jiho) I think Willie May's advice means that nobody will be there for her. (Gabi) I think Sistine and Willie May are the same because they both stare at each other. (Antoine)	I wonder if they will free the tiger. (Gabi)
CHAPTER 22		
I see that Rob's dad is very angry because of the meat. (Gabi)	I think Rob's dad is tough because he does things just to prove to others that

I see Rob's dad is gentle when he is caring for his family. (Ana Claudia) For example, when he carefully put cream on Rob's leg. (Ms. Arcenas)	he can. It doesn't matter the consequences of his actions. For example, when he shot the bird just to show Rob and Caroline that he could do it. (Ms. Arcenas)	
CHAPTER 23		
	I think Sistine will demand to free the tiger. Backstory - Rob has the keys and every time it jingles in his pocket, it reminds Rob of what Sistine wants him to do with the Tiger. (Ms. Arcenas)	
CHAPTER 24		
I see Sistine is violent. (Isabella) For example, Rob likes when Sistine softens her voice and that is why he likes her so much. (Isabella). For example, she softens her voice at beautiful things like the Sistine Chapel, Rob's wood carvings, the poem about the tiger and Willie May is the prophetic. (Grant and Ms. Arcenas) I see Sistine is like Rob's dad. (Nico) For example, they can both be tough, but also gentle. (Ms. Arcenas)	I think Sistine is being more inclusive towards Rob. For example, she changed from saying "I" to "We" when they went to talk to Willie May. (Madalena)	I wonder if Rob and Sistine will tell Willie May about what Beauchamp said. (Isabella)

CHAPTER 25		
I see Rob is telling the truth to Sistine, he is honest even though the truth may hurt. (Isabella) For example, Rob knows that Sistine's dad is not coming to get her. (Ms. Arcenas) I see that the word "rising" is connected to Rob and the tiger because Rob needs to let the sadness rise and the tiger needs to rise out of the cage.	I think the truth that Rob just realized is that the tiger needs to be freed.	
CHAPTER 26		
I see that Rob stopped to Sistine to tell her that he will let the tiger go. I see that Sistine also realizes the truth about her dad, that her dad is not coming back. I see that what matters most to Sistine and Rob is the tiger.		
CHAPTER 27		
I see that Rob and Sistine freed the tiger to let it rise. (Ana Claudia)		I wonder if Beauchamp will see that the tiger is gone. (Antoine) I wonder what Rob's dad will do.

CHAPTER 28		
I see that Rob is NOW.... I realize that Rob has his suitcase completely open. For example, he started crying and told his dad about his feelings. (Isabella) I'm realizing that Rob is seeing his dad in a better way because he was telling his dad the truth about how he feels about losing his mom. (Valentina Livore). I'm realizing that the tiger is a symbol for Rob's mother. (Antoine)	<i>I think that this chapter is the most important part of the story...</i> ...because Rob finally shares his feelings (the ugly truth) with his dad. (Sofia F) ...because Rob has lost all that makes him happy. He has no choice, but to truly let his sadness rise up. (Vincent) ...because we now know that Rob's father cares even more about Rob. For example, when Rob started to cry, his dad comforted him. "It's okay." (Duda)
