

Dear Students,

Doodle for Google is returning for its 15<sup>th</sup> year! If you aren't familiar, Doodle for Google is an annual contest where students in grades K-12 are invited to express their creativity by drawing their very own Google Doodle in response to a prompt. **The winning Doodle will be displayed on the Google homepage for 24 hours.**

This year, the prompt will be --- **I am grateful for...**

Taking a step back to think about what we're grateful for can be a great way to take care of our mental health and to refocus on what's most important.

- ☐ What moments, people, places and things are special to you?
- ☐ What or whom can you not imagine living without?
- ☐ What are the things that get you through the day?

Our theme encourages you to share what you appreciate most.

Contest submissions run until **March 7, 2023**.

Fifty-four (54) students will be named winners from their state/territory.

Four (4) finalists will win a \$5,000 scholarship and one (1) winning student will receive:

- a \$30,000 college scholarship
- a \$50,000 Google for Education technology package for WCA
- Their artwork will be placed on the Google homepage for a day.

Visit <https://doodles.google.com/d4g/> to learn more about the contest, discover how to submit, and to find examples from other doodlers.

Happy Doodling!
