

DEVELOPMENTAL MEDICO-LIFE-SCIENCES

Authors' Contribution Form

(Please type and send in MS Word format)

Please mention the contribution made by each author in the conduct of study, literature search, statistical analysis or manuscript editing. To learn about who can be an author and who can be added as non-author contributor, please read the full document by ICMJE at <http://www.icmje.org/recommendations/browse/roles-and-responsibilities/defining-the-role-of-authors-and-contributors.html>

Avoid gift authorship. If the editors feel that anyone or more names are inserted without justification, they reserve the right to ask the corresponding author to justify or delete the name/s.

Corresponding author bears the full legal responsibility for the correctness of the contribution declared by each author.

Please use initials of the names of the authors followed by their contribution in the study/manuscript, e.g. for Micheal Jordan, write; KK: Concept, conduction of the study work and manuscript editing
