

Hey Cecilia, my name's Jonathan and I'm a growth consultant.

I took a look at your site and saw a couple of improvements that we could make to bring you at the VERY least, thousands of dollars.

This is just a rough draft, but let's do a mid ticket product, and I'll write compelling copy to boost conversions. (I'd do "12 Tip For a Healthier & Happier Marriage but it'd be better to create a mid ticket to gather more sales)

Imagine if we could enable more people to live the beautiful, fulfilling relationships they deserve PLUS more people would realize that sex coaching isn't just SLEAZY and that it's actually "enlightening".

(sorry about that rant)

Anyways...

If you're open to discuss further, let's talk on here to get to know each other better.

Looking forward to your response ❤️

Here's an example of what I've created in the past for another client:
