

SOCIAL STUDIES DEPT: CURRICULUM INVENTORY GRADES 7-12

The single most important initiative a district can engage in to raise student achievement is a [guaranteed and viable curriculum](#) so all students can have an equal opportunity to learn.

Source: [What Works in Schools: Translating Research into Practice, Marzano, 2003](#)

The following assessments, resources, and material are expected to be implemented with fidelity as our primary tier 1 tools to engage and assess students in the subject matter defined in [Michigan Academic Standards](#).

Grade	Course	Content	Notes	Requested replace date
7-12	All	Schoology	Subscription	Annual District expense
