Cvičení 2 – Describe the following quantities either using general quantity words (hodně, několik), numbers, or words such as...

kupa – stack, *krabička* – (small) box, *bedna* – crate or large box, *spousta* - a bunch, etc.

balónek - balloon

 <i>sirka</i> - match	
	

Cvičení 3 – Kolik to stojí? How much does it cost? Imagine you are talking to a Czech friend who is going to America for the first time. He/she is asking you questions about the typical cost of various things. Answer these questions below using dollars as your reference currency:

1. Kolik stojí oběd v restauraci?

2. Kolik stojí lístek na koncert?

3. Kolik stojí káva v kavárně?

4. Kolik stojí nové auto?
