

### **Summary**

In Compliance with the Indian Policies & Procedures (IPPs), each school designates a liaison to ensure effective communication, equitable access to programs, dissemination of information, and coordination of services for American Indian and Alaska Native students. These liaisons serve as the direct connection between school sites and the Indian Education Opportunities Program (IEOP). Schools without a designated liaison are noted as "No Submission."

The following list reflects the official 2025–2026 IEOP School Liaison roster.

### **Central Office & IEOP Leadership**

- Central Office Employees & Tribal Representatives – Richard Savage, IEOP Coordinator
- Region 1, Transformational Network & Alternative Schools – Sandra Lee, Student Success Advocate
- Region 2 & Region 3 Schools – Regina Britt, Student Success Advocate
