Parent Volunteers

Dear Parent(s)/Guardian(s),

On June 14th, we will be holding this year's Field Day from 9:00am-3:00pm. We are expecting great weather on this day and this will be a day that all children get to work together and have fun while being active!

Parent volunteers, I need your help to make field day a success! I will need at least 20 parent helpers for each grade levels' field day. For example, I will need 20 parents for the fourth grade field day and 20 for the first grade field day, etc.

I would like to have two parent helpers at each station. There will be 9-11 stations for volunteers. All you will need to do is explain the activity station that you will be assigned. I will have the explanation typed out for you. You will explain the station to two teams and then make sure the two teams complete the station correctly and have fun at the same time. There will be from 7-9 students on each team so, you will probably have from 15-20 students at your station at one time, including that class teacher. You will continue to repeat this activity until all teams have completed your station.

If you are a field day volunteer, you will need to stay at your assigned station. Set-Up will begin at 7:30am and breakdown will begin at 3:00pm.

Please feel free to email me with any questions or concerns! See you on Friday, June 14th!

Thank You for your help!
