

Act I Addendum

“In January, the General Assembly enacted Act 1 of 2022 (Act 1) (24 P.S. § 13-1331.1) to remove educational and graduation barriers for students who move between school entities due to homelessness, adjudication, foster care, and juvenile justice or court-ordered placements. Act 1 requires school entities assign a point of contact, adopt clear policies and practices to apply credit for satisfactorily completed coursework, and develop a graduation plan for students experiencing education instability. Act 1 also includes protections to facilitate equal access to school, including participation in extracurricular opportunities.”
