Notes:

- Ch2 does not count as a stitch.
- Do not turn at the end of any rows.
- Leave a 4"+ Tail in your Magic Circle to weave in and secure afterward.
- Do not fasten off before beginning brim. The separation of sections is just in case you made more or less than 17 rows when creating your choice of length.
- In the video I move seamlessly from the 3 *SCDec + 1 BLSC* at the end of row three into the 2 *SCDec + 1 BLSC* at the beginning of row 4. That is why I say to do it FIVE times. Please, forgive any confusion.

Pattern:

Start with a Magic Circle (or chain 4 and slip stitch)

Row 4: ch2, *2 DC + IncDC* around. SS. (48)

Begin Brim

Row 1: ch1, SC around. (Do not SS or ch...we are working in a spiral).

Row 3: *SCDec + 2 BLSC* 3 times and continue to BLSC across until the stitch before the

first SCDec in the previous row. *SCDec + 1 BLSC* 2 times.(65)
