We Are Sachem

Sachem Family Connect Nights 2025-26

Elementary Students - 1x per month

Middle School and High School Students - 1x EVERY OTHER MONTH

Teachers **will not** be assigning homework on these nights, so we encourage families to spend time **together** doing something that they enjoy. Some suggested activities are below.

These may be indoor or outdoor activities, or just sitting together for an uninterrupted dinner. You may even want to disconnect from devices. Disconnect...to connect. Each family should choose how they want to spend the time together. Enjoy!
