

Terms of Service

Effective Date: May 16, 2025

1. Introduction

Welcome to Gemini Reader, a Gemini browser extension for text-to-speech. By installing or using this extension, you agree to these Terms of Service.

2. User Responsibilities

You are responsible for all activities conducted through your use of Gemini Reader. You should maintain the security of your own data and promptly report any unauthorized access or security breaches to democraticdeveloper@gmail.com.

3. Privacy Policy

Your use of Gemini Reader is also governed by our Privacy Policy, which explains how we collect, use, and protect your information. Please review the [Privacy Policy](#) before using the extension. We will not share your data with third parties except as described in that policy.

4. Intellectual Property

All intellectual property rights in Gemini Reader and its content are owned by the developer. These works are protected by copyright and other applicable laws. All rights are reserved.

5. Rate Limiting Acknowledgement

Due to the way Gemini Reader processes text—splitting input into chunks and submitting each to Gemini—you may encounter rate limiting by Gemini. This limitation is imposed by Google and may temporarily prevent further requests.

6. Termination

We reserve the right to suspend or terminate your access to the extension at any time, without notice, if you violate these Terms of Service.

7. Governing Law

These Terms are governed by the laws of the State of New York, without regard to its conflict of law provisions.

8. Contact
