

Week of June 8th-June 12th

Dear Families,
It's hard to believe we only have two more weeks of school left! These will be the activities for the remainder of school. The great part of this is that students get to pick what they would like to do! Send any completed projects/activities to your teachers. Don't forget to check out the specialists' activities Parmenter Specialists Remote Learning Activities Be sure to check out the Masked Reader here. Can you guess who it is! Masked Reader

Suggested Language Arts Activities

Choose at least one option from the suggested activities to share with your teacher.

Go to the Beach with your Kindergarten Teachers

Listen to the following book on youtube: Great White vs. Killer Whale
Draw an illustration of a great white shark and a killer whale (go to the art activities to get a link for how to draw a great white shark and a killer whale). Make a speech bubble showing something they might say to each other. Use facts from the book.

Choose one of the books from *Go to the Beach with your Kindergarten Teachers* and write a connection to self.

Choose one of the books from *Go to the Beach with your Kindergarten Teachers* and write about what was your favorite part and why.
