

Social Membership:

Whether you plan to curl or not, you can take advantage of the club's social life, entertainment, or bar facilities, with unrestricted access to bar and use of a bar tab. You would also be eligible for member discounts for rentals, events, and excursions. This membership does not allow curling in leagues, but you can watch any time!

Curling Membership:

This gets you access to the ice! This allows curling as a spare in any league, or joining any of our regular leagues as a regular curler.
