SUBJECT: Chesapeake Bridge Maintenance

Section 1. Short Title

- A. This Directive shall be cited as the “Chesapeake Bridge Maintenance Directive”.

Section 2. Reallocating Discretionary Spending

- A. The Department of Transportation will reallocate 30% of discretionary infrastructural maintenance spending towards the purpose of preventing further damage to structurally deficient and functionally obsolete bridges in the Commonwealth of Chesapeake.
- B. For the sake of this directive, the status of bridges will be identified based on the determinations of the National Bridges Inventory.

Section 3. Automatic Cancellation

- A. This directive will no longer be in effect following the enactment of any directive or legislation relating to the maintenance of bridges in the Commonwealth of Chesapeake.
