

Accommodation

There are numerous hotels, hostels, etc. in Jerusalem.

Here is a [website](#) where the hotels are classified according to various criteria: star number, location, etc.

Here are the areas we suggest you to choose:

1. Central Bus Station Mall (the central bus station is not in city center, this is a name for the intercity main bus station) (Tramway stop: Central Station)
2. West Jerusalem (probably the closest to the campus are listed there): Ramada, Jerusalem Gardens Hotel and Spa, Prima Park are on the same street (Vilani St.).
Tramway stop: Kiryat Moshe (Ben Dor)
3. Jaffa Street area.
4. City Center (Tramway stop: Jaffa Center)
5. Machane Yehuda stop Market (Tramway: Mahane Yehuda)

The closest hotel is Rimonim Shalom. On foot, via a "trail", it takes 5-7 minutes to the campus. With a taxi, it takes 5-8 minutes.

Bus stops close to the campus: lines 5,6 (get off at stop "Shachal-Heller") , 39 (get off at stop "Givat Mordechai-Byte").

[Tramway](#): get out at Yefe Nof stop, then take bus no 5.

There are also good hotels close to Old City, but at a greater distance from the campus.
Tramway stops: Shivtei Israel, Shimon Hatsadik.
