PENTECOST MULTICULTURAL MASS

24 May 2022

Dear Parents and Caregivers,

On Sunday 5 June 2022 at 8am, Pentecost will be celebrated with a Multicultural Mass. Hymns and readings will be sung and read in the languages of our parishioners and everyone is encouraged to come dressed in traditional costume or colours that represent their nationality.

After the Mass, foods from different cultures will be shared (including an Aussie sausage sizzle) in the gardens near the Curran Centre (across the carpark from the church). If you wish, you could bring along a plate to share but this is not necessary.

During the entrance procession we are hoping to have children carry a flag from their cultural background into the church. They will be guided by teachers to hang the flag at the front of the church and will then join parents in the congregation.

If you will be attending this mass but do not have a flag, please fill in the form [here](#) by Tuesday 31 May. An A4 size flag will be printed for your child and can be collected from Mrs Montford outside the church just before the Mass.

At the conclusion of the Mass, the children will be invited to collect their flag and join Fr Joe as he processes out of the church.

We look forward to sharing this wonderful celebration with you.

Kind regards,

Naomi Loader - *Assistant Principal Mission*

Maria Woods - *Leader of School Evangelisation*

Dominique Montford - *Leader of School Catechesis*
