

MY CALLIGRAM

NAME:

III. Now it's your turn to be a poet. Follow the steps to write your calligram. First, write the poem and then, design the form.

STEP 1. Think about the topic (it must be related to nature and well-being)

STEP 2. Brainstorm ideas. Use the dictionary to find words that you may need. How does the topic you chose make you feel? Think about adjectives, actions that you may use to express your feelings.

STEP 3. Write your poem. Remember that every line in a poem is called a VERSE.

Is your poem going to rhyme?

STEP 4. Design the shape and create your calligram on a different piece of paper. Do not write your name on it. Just on this worksheet.
