

Front Office Supervisory

BOSTON is a one-of-a-kind American city that offers visitors opportunities to relive history, immerse themselves in the arts, cheer for hometown sports teams, explore museums, discover "hidden" harbor islands and imbibe at a famous brewery or an even more famous bar. Famous as the inspiration for the television show *Cheers*, the former Bull & Finch Pub, now officially known as Cheers Boston, is located in Boston's Beacon Hill District. It's definitely a tourist trap with souvenirs galore for sale and overpriced pub food, but it's still one of those places that fans of the show make a beeline for when they're in Boston.
