

Study Protocol Amendment Submission Form

INSTRUCTIONS TO THE PRINCIPAL INVESTIGATOR: A study protocol amendment is a written description of a change(s) to or formal clarification of a protocol and/or informed consent documents. Favorable opinion or approval should be obtained from the UPCHE REC prior to the implementation of an amendment. Obtain an electronic copy of this form and encode all information required in the space provided. Multiple amendments classified under ONE type of review (expedited or full review) can be submitted in one form. Print the report then date and sign this form before submission.
